PYRAMO SYSTEM

Pyramo Debarking System

- ▶ In addition to original Cambio® parts, USNR also manufactures a complete line of Pyramo® tools and tool tips for 18", 24/25", 26" and 30" debarkers.
- ▶ Stemming from a proven technology, our Pyramo® tools and tool tips are manufactured according to the original design and reflect the standards of quality the industry has come to expect.
- ▶ Our tool tips fit perfectly with commonly used tools in the industry. We manufacture three (3) types of tool tips to answer the ever changing working conditions: regular (summer), winter and scoring tips.
- ▶ The regular and the winter tool tips come in two versions: hardened by heat treatment or tungsten carbide coating.
